## PAUL ARSENAULT

### HEAD COACH

The second winningiest active university hockey coach in North America enters his 23rd season behind the bench with an outstanding career mark of 542 wins, 245 losses and 56 ties. Paul Arsenault began his coaching career in 1963 when, after graduating in Physical Education from the University of New Brunswick, he took over the reigns of the Sir George Williams hockey squad. He led his troops to five league titles before joining the arch-rival Loyola College Warriors in 1973. There, his teams won two titles in three seasons before Loyola and Sir George merged and the Concordia University Stingers were born. That marked the beginning of a dynasty as the club captured the league championship in its first nine seasons. The streak came to a halt two years ago, as the Stingers finished out of the playoffs. But the club took a step in the right direction last season by qualifying for post season play and battling the eventual Quebec University Athletic Association title-holders, Trois-Rivieres, down to a third and deciding game in semi-final playoff action. Trois-Rivieres won the series and went on to represent the league in the National final.

Overall, Arsenault has been the guiding light behind 16 conference titles. He has been named conference coach of the year five times and won National honors in that department on two occasions. Aside from his time consuming role as head coach and director of hockey operations at Concordia, Arsenault is Associate Director of Fitness, Recreation and

Athletics. In addition to hockey he is directly responsible for the arena, men's soccer and skiing. Other responsibilities he has handled include women's program and budget at Concordia and assistant football coach, intramurals and athletic director at Sir George.

A native of P.E.I. Paul was an outstanding all-around athlete. He played junior baseball and boxed in the Golden Gloves as a high school senior. At university he played both hockey and football and was voted M.V.P. of the U.N.B. football squad in his final year. His coaching career began in 1962 when he coached the U.N.B. J.V. football team to an undefeated season.

Paul attended the University of Oregon in 1969 where he obtained his Master of Science degree. In 1973 he was named to Canada's Fitness Council where he served for two years. In '81 and '82 he worked with the Montreal Canadien organization as a training consultant. His international experience includes being the hockey leader for the first Loyola study tour to Russia in '74 and coaching Canada's student national team on a tour of Czechoslovakia and Germany in '77. He has organized two European trips for the Stingers to Czechoslovakia in '75 and Scotland in 1980 where the Stingers defeated the Dutch Olympic squad to capture the first ever British Challenge Cup. Paul resides in Pointe Claire, Quebec. He has two daughters, Klay 15 and Holly 7.

PICASSO PLAYER OF THE GAME AWARD

ASSALY'S SUPERMARKET PLAYER OF THE WEEK

# TEN YEAR TEAM

Thirteen players make up the Concordia University All Ten-Year Men's Hockey Team, comprising two goaltenders, four defence-men and seven forwards. To commemorate the varsity sports program's 10th anniversary, which took place during the 1984-85 season, media and alumni participated in the selection process of the respective teams of the decade.

Goaltenders Jim Corsi (1975-76), and Stéphane Héon (1981-82 to 1984-85) were vital cogs in the Stinger machine. Corsi was outstanding in his lone Concordia campaign recording six shutouts and a 1.16 goals against average. He was an All-Canadian and Quebec University Athletic Association all-star and later went on to play for the Quebec Nordiques and Edmonton Oilers. Jim was also selected the first winner of the Sullivan Award as the outstanding university hockey player in Canada. He is currently a member of the Italian National Team. Héon, meanwhile, was also a standout between the pipes, always coming up with the big save. He retired prior to the 1984-85 season to devote all of his time to school in that his final academic year. However, by mid-season, he was back in goal.

On defence the choices were Donnie Morris (1975-76); Michel Blais (1975-76 to 1979-80); David Boyd (1975-76 to 1979-80); and Mike Walker (1977-78 to 1980-81). Morris is the older brother of Frankie Morris, a hardnosed forward who has

racked up 572 penalty minutes for the Stingers the past four seasons. Walker followed up his Concordia career by turning pro with a team in Scotland.

Up front, the players selected were: Glen Tomalty (1975-76 to 1979-80); Randy Mohns (1975-76 to 1977-78); Mark Shewchuk (1975-76); Doug Feasby (1978-79 to 1980-81); John Sliskovic (1979-80 to 1982-83); Gilles Hébert (1979-80 to 1983-84) and Mark Kosturik, who concluded his four year career this past season by becoming the club's all-time leading scorer with 257 points. Kosturik beat the previous mark of 252 set by Hébert in his final season. Prior to that Mohns was the record holder with a total of 251. Feasby, meanwhile, is best remembered for a sensational rookie season in which he set team records which still stand for most assists (68) and points (114). Sliskovic combined solid play with impeccable scholastic achievements, obtaining the highest marks in the commerce faculty in his graduating year.

# CONCORDIA HOCKEY 1985-86 AWARDS

## MARK KOSTURIK — CONCORDIA MALE ATHLETE OF THE YEAR

The 23 year old North Bay native was a Quebec University Athletic Association and Canadian Interuniversity Athletic Union All-Star performer in 1985-86 as he concluded his four year career with the Stingers in magical fashion. Mark notched 38 goals and 43 assists for 81 points. That made him the all-time leading scorer in Concordia history with 257 points.

## FRANK MORRIS - FATHER CASS AWARD

For the second year in a row this hardnosed forward from Alexandria, Ontario won the team award as the most inspirational player. In his fourth year with the team, Frank scored 24 goals and added 16 assists in 33 games. He also recorded 145 penalty minutes, raising his career total in that department to 572.

## GILES LASCELLE - TONY LEES MEMORIAL AWARD

This rugged three year veteran rearguard from Cornwall took home the team's best defensive player award for the second year in a row. Giles is a steady performer at the blueline, one who is never caught out of position, but nonetheless has a good scoring touch. In 35 games, he had eight goals and 21 assists.

## PAUL BROPHY - FRED BEDFORD AWARD

When selecting the club's most improved player, from the start of the season until the end, Paul was a natural choice. The 21 year old rookie from Manotick, Ontario began the campaign with the junior varsity squad. However, by the time mid-season rolled around he was a vital cog in the Stingers drive for a playoff berth.

## ROB BOYLE - BERNIE McCALLUM AWARD

Last season's rookie of the year played like a veteran. Toronto native Boyle played in all but two of the team's 38 games, scoring 12 goals and adding 17 assists. He came to the team with a tough reputation and while he only had 45 penalty minutes, he never backed away from a physical challenge.

# 1985-86 YEAR IN REVIEW

The 1985-86 hockey season at Concordia was one filled with numerous highs and lows. Head coach Paul Arsenault, who completed his 22nd season behind the bench, utilized no less than 34 players during the course of the year as the Stingers compiled an overall record of 16-21-1.

Winners of nine consecutive Quebec University Hockey League (QUHL) championships between 1975 and 1984, the Stingers saw that streak come to an end two years ago when they completed the regular schedule with a 5-13-2 mark. With competition in the league getting tougher each year, Arsenault knew he had his work cut out for him to try and restore some vitality to the program. Going primarily with newcomers to the roster he put together a squad which finished the QUHL season with a record of 7-12-1. That was good enough for fourth place and a semi-final playoff berth against eventual league champion Universite du Quebec a Trois-Rivieres. Les Patriotes, who play out of Cap de la Madelaine, won the best of three series two games to won, but the Stingers played them tough, scoring a 6-3 triumph at home in the second game before an enthusiastic crowd at the Loyola rink.

Concordia began the year on a high note, winning five of its first six non-conference encounters. However, the club couldn't get untracked in QUHL action and won only one of its first seven encounters. Heading into 1986 the Stingers had a cumulative record of 6-13. But the new year began with some flashes of brilliance from the past. The Stingers captured their own CBC - Micron Invitational Tournament with a thrilling 6-5 victory in the championship game over the University of Ottawa Gee-Gees. Not bad for a team which had lost its previous nine games heading into the January tourney.

Four year veteran forward Mark Kosturik concluded his university career in magical fashion, with 38 goals and 43 assists for 81 points. That made the 23-year-old North Bay, Ontario native the all-time leading scorer in Stingers history, with 257 points (119 goals and 138 assists), five more than the previous mark set by Gilles Hebert two years ago. Hebert, however, took five years to accomplish his feat.

Hardnosed forward Frankie Morris, a native of Alexandria, Ontario, reached a sort of milestone himself. The four year veteran surpassed the 500 minute mark in penalties. His 145 penalty minutes on the year raised his career total to 572. Frankie scored 24 goals and added 16 assists in 33 games played. Arsenault used him as both a forward and defenceman.

First-year forward Franco Iammateo, a former standout performer in the Quebec Major Junior Hockey League with Longueuil, played in 29 games, scoring 15 goals and adding 30 assists. Rookie Jeff Carter, of Long Sault, Ontario, was the team's iron man. He suited up for all 38 games, scoring 18 goals and adding 20 assists.

Second year defenceman Neil Trineer enjoyed a productive campaign. The Toronto native, who spent three seasons in the Ontario Junior Hockey League prior to joining the Stingers, notched 39 points on 11 goals and 28 assists. He also enjoyed some celebrity status as a result of his cameo role in the motion picture 'Youngblood'.

In goals, Arsenault tried five netminders. Rookie Ken Hrivnak saw most of the action, playing a total of 1,133 minutes between the pipes. Veteran Tony Guerriero rejoined the club at mid-season, after sitting out the start of the campaign.

# THE SCHENLEY AWARDS

The Monde Selection is among the most coveted awards in the spirits industry. It is recognized as the "symbol of quality" by over 170 countries.

Why? Because only the Monde Selection is awarded according to both the subjective judgement of experts and the objective analysis of scientific tests.

Thus, we're very proud that in the last ten years Schenley has won more Monde Selection Awards than any other distiller in Canada.

We've earned 58 Gold, 19 Silver and 5 Bronze medals.

It's a remarkable record of achievement, confirming that when it comes to fine spirits...

Schenley is best.

## SCHENLEY O.F.C.

The winner of 12 Gold medals, plus the competition's highest award...the Monde Selection perpetual trophy. Obviously, one of Canada's outstanding 8-year-old whiskies.

## TROIKA VODKA

This exceptional vodka has won 7 Gold, 2 Silver and 2 Bronze. Troika has also won the loyalty of Canadians who appreciate a winning bloody mary or screwdriver.

## SCHENLEY

## LONDON DRY GIN

The only dry gin to ever win a Monde Selection Gold medal, not once, but nine times! It's the main ingredient for an award winning martini.

## RON CARIOCA WHITE RUM

Winner of 4 gold, 6 Silver and 1 Bronze, and a winner for those who appreciate the refreshing taste of rum made from pure cane spirits imported from the Tropics.
